# Sam℠

TAKE ACTION TODAY!

Create your account!

Get access to 24/7 healthcare in the palm of your hand.

Get started now, create an account on the Sam app!

Registration is required even if you have used Sam before.

Follow the quick and easy steps below:

Download on the **App Store**

GET IT ON **Google Play**

CREATE A NEW SAM ACCOUNT

HOW TO GET STARTED

**1.** Download the **"Sam by UCM Digital Health"** app.

Update your app if it is already installed to get the latest version

2. Click **"Create an account"**

3. Enter your email address and phone number, then click the **"Send Verification Email"** button.

Note: the information you enter must match what your employer has on file, including the spelling

4. Check your inbox for a message from UCM Digital Health with a one-time passcode and instructions for finishing your account set-up.

5. Head back to the Sam app, enter the code provided, and start accessing care today!
